by Mary Matakovich,
Commodore

you who pre-ordered your t-shirts with your annual registration come and pick yours up from the OD. There might be extras available; so, check with Jana.

Our Sunday Brunch was tops! **Dana** and **Pat Cusak** provided a brunch topped with cinnamon rolls. Everyone raved about it. I'm sorry to have missed it. I had the 49th Annual MLK Scholarship BBQ from 8-4 pm, which was a sell-out — 650 dinners served and all the proceeds going to student scholarships. So, hopefully, sometime soon, Dana and Pat will have a “repeat” event which we also can attend.

Our Wet Wednesday's meal was hosted by **Sharon** and **Dave Williams** which as my Dad used to say, “Really hit the spot!” This month's Wet Wednesday in honor of our 80th Anniversary history will host our Commodores from 30's through the 80's. Hopefully, they will join us and give us a little idea of what it was like when they were active (some still are) in the club. See Director **Jeff Bucher's** information on page 6 for more details as to the Wet Wednesday program.

Since February is the month of hearts and flowers with dreary weather not good for sailing, Cruising Captain **Lettie Fuller** coordinated a “Bubbly” event with **Sandra Nielsen** and **Iris Swisher-Strachan**. The reports were grand, especially because they learned a lot about pairing food with champagne. Cheers to our first member-lead seminar! Next, **Lynne** and **John Schlenker** hosted our annual Valentine's Dinner with her niece assisting along with **Charlotte** and **Tom Robak**, **Cathy** and **Dennis Kunkel** and **Tom St. John**. They transformed the clubhouse with hearts and flowers. The dinner was gourmet, including the desserts. A perfect way to be around good friends and family!

Now, to our community outreach, the San Luis Obispo County Board of Supervisors has allocated funds to the community of Avila to develop a community plan. They are calling this process “Envision Avila!” I was very glad to see **Andrea** and **Greg Jackson** there actively representing us in the discussion.

Valentine's Dinner host Lynne Schlenker with her niece.

A hoy Mates! Happy 80th Anniversary! I was able to join our Morro Bay Yacht Club buddies in Morro Bay for a kayak trip around the bay. I actually thought it would take us more than an hour to get situated and good-to-go; so, we got there over an hour ahead of time. Well, in five minutes we were in the water and off to see the bay, its boats and sea life. What a refreshing way to spend a morning! Check-out Morro Bay Yacht Club's kayaking schedule and come and soak up the beauty of the bay.

Another highlight is our team who put our 80th Anniversary t-shirts together — design by **Georgina Pease**, merchandising by **Kate Corella** and production by **Jana Barter** with **Graham** assisting in all aspects of this effort. Glad we have this talented team who were able to develop a design that says-it-all — still sailing after all these years. Those of

Georgina Pease, Kate Corella, and Jana Barter showing off their t-shirts.

Please talk with them and me about this process, which is to take a few years to complete. Most importantly, they were/are clear voices representing the yacht club and our community's interests. Along the community partnership theme, I'm proud that our clubhouse offered to the Arts Obispo, the Avila Beach Community Foundation and Port San Luis Harbor District, our clubhouse for a reception introducing an artist's depiction of Avila Beach's history displayed on our two Lifeguard Stations. **Paula Dempsey** coordinated this effort and provided a wonderful afternoon event introducing the artist and her work to our community. Also in attendance at this event were our club members: Foundation Board Members **Kathy** and **Richard Zacky**, Commissioner **Jim Blecha**, and former Foundation Board member **Steve Johnson**. It's so refreshing to see our club supporting this type of community project on our beach.

Paula Dempsey (foreground) with crowd listening to a guest artist at the club.

This month brings us the opportunity to host new members to the club. Junior Staff Commodore **Ray Mattison** is managing the process and the Board looks forward to acting on the Membership Committee's recommendations. Then, at our Opening Day, April 8, we will be introducing our new members and honoring current members. Mark your calendars. It will be our celebration! Please know too that the Board is working toward realizing our Constitution's objectives and we will be talking with you about them on Opening Day.

I hope that you have accessed our Board Meeting agenda with attachments via our website. It's very important to us that you know what topics, projects and issues we are addressing and we are handling for the betterment of the club and for you. Please join us. Our meetings are open and fun!

My best to you, always,
 – Mary 📍

Rear Commodore Report

by Barry Stewart,
 Rear Commodore

Ahoy Members. This winter has occupied my time with clubhouse repairs and maintenance of all sorts.

This has been complicated at times by gusty storm winds, driving rain, flooded roads, power outages etc. Thankfully our schedule has so far continued largely uninterrupted.

It's time to mention our annual Clubhouse Cleanup Saturday April 1st, no joking. Show up that morning in work clothes, and help us in this endeavor. We will do sign-ins and task division starting at a lazy 8am with coffee and donuts on hand, with maybe a few other provisions to fuel your participation. If you have a regular task that you normally perform that day please contact me in advance so I can keep track of needs. We will dust beams and shelves, polish brass, clean glass, tile, sinks, treat wood, clean shelves, stoves, fridge, clean the big gas grille, repair what we can, maybe paint a few things, and try and get things near "bristol" for opening Day on April 8th. It's our 80th anniversary. Please help out. Many hands make light work. I hope you will participate, it is a very good way to meet your fellow Yacht Club members and we are very welcoming of assistance by friends, family members and prospective flag members.

Sign in, wear a name badge or sticker, help a bit and we will count a duty service toward your member in good standing status for 2017. If you don't have a traditional task, it's ok to bring tools, towels, gloves or your favorite coffee cup but we should have most of what you need on hand.

I hope to see many of you March 17th for our annual St. Patrick's Day Dinner-Dance, This is usually well attended, so reserve as soon as the e'vite or scuttlebutt arrives, or, call social director **Dorie Zwinger**, so we can have plenty of food. I plan on trading my regular skippers cap for a green leprechaun party hat that night. Expect a wee bit Irish cream for your coffee after the regular bar closes and the band plays the final song. St. Patrick's falls on a Friday this year.

Remember Lopez Cup races resume, weather and other lake conditions permitting this month, but "Slo Sloop" remains moored at Port San Luis for recreational sailing. Consider subscribing to "Slo Sloop" if you don't have a sail boat. It is inexpensive and relatively easy to sail. Call our Boatmaster **Dan Pease** to see what it will take to familiarize you with the boat, or get you any training you may want or need. You probably couldn't rent a small skiff for a day at a local lake, for the small fee to access to "Slo Sloop". If your sailing skills are rusty, several of us can bring you up to speed, if they are nonexistent, we can direct you to enroll in the Cuesta Sailing School or Santa Barbara Sailing Center. If you want to know the PSL "Slo Sloop" boat procedures they are on SLYC.org for your perusal.

Wishing our club members a spectacular 80th anniversary and hope you participate in the activities our Commodore **Mary Matakovich** is preparing for you this year.

Nautically,
 – Barry 📍

Fleet News

by Kristin Rasmussen,
Sail Fleet Captain

Hello Members. It's March and the stormy weather pattern continues to bring California much needed rain. While filling up our local lakes, the stormy weather has also made it difficult to plan our scheduled 2017 lake races. We can launch boats in both Lopez and Santa Margarita Lakes, but there are other things to consider such as an accurate course, the status of the shore line and race committee access. I am not confident (with the current weather forecast) it is realistic to be able to conduct a complete and meaningful race event for March 5th. We will plan for a great lake race day for April 2nd (weather permitting).

The US Sailing Organization, under license from World Sailing, has produced the 2017-2020 edition of "The Racing Rules of Sailing." I spent a day last month in a race management seminar reviewing some basics and learning some of the updates for sailing events held in the United States. There have been many revisions to the Racing Rules over the years and the revisions in this newest edition are

subtle ones. There will be a copy of the 2017-2020 edition in the bookshelf at the club for anyone interested in looking at it. You can also find the information online at rulebook.ussailing.org including available mobile apps for your electronic devices.

For those of you who are interested in volunteering or just learning more about race management and race committee, US Sailing publishes a great little introduction book, "Join the Race Committee Team". It is being updated to coincide with the 2017-2020 edition of "The Racing Rules of Sailing", but as soon as it is available I will have some copies. If you are interested in a copy please email me at fleet.captain@slyc.org.

We still need volunteers for race committee so please consider joining the fun (lunch and beverages provided.) Don't hesitate to contact me with questions.

—Kristin

Power Report

by Jim Gilletly,
Power Captain

Hello fellow SLYC members. Even as the winter storm systems keep bringing us well needed precipitation, we have managed to complete the SLYC Chase Boat's annual maintenance, thanks to the efforts of **Dan Pease**. Above and beyond a standard outboard service, the Chase Boat required some additional repairs and upgrades, mainly for a high pressure fuel pump replacement and necessary upgrades to the electrical system.

The Chase Boat is now shipshape and ready for the 2017 racing season.

The first planned lake race (weather pending) will be Sunday, April 2nd, so if you have volunteered for a March race date, please know the March race has been cancelled. We still have Chase Boat Captain openings for April 2, May 21, and September 10, so for any qualified skipper's, please consider these dates to assist the SLYC race committee in conducting the racing events. Also, for any members and/ or guests who would like to participate as Chase crew members, your volunteerism is greatly appreciated. Please refer to the SLYC volunteer sign up sheet on our website. If you have any questions regarding crewmember duties, please call me or email me at powercaptain@slyc.org. It's always a fun and exciting time on the water amidst the sleek sailing vessels and their competitive crews.

— Jim

Cruising News

by Lettie Fuller,
Cruising Captain

to taste, setting up the maps and menus on the tables and decorating. A special, special “Thank you” to Sandra for narrating the evening with her wealth of knowledge on bubbly, and Champaign, in the countries we traveled to taste. Sandra captivated the audience by explaining the different kinds of flutes used for tasting to the types of grapes and yeast used to make bubbly. She was incredible and everyone enjoyed learning about bubbly and Champaign. (There is a difference between the two.)

A hoy members. “80 Years of Love” Valentine’s bubbly tasting, food pairing and educational was a great success. 21 members and 4 non-members attended our festive evening filled with soft pink lights, red roses, pink table runners and pink rosette table cloth covering the bar. The Yacht Club was transformed into a romantic chalet in the mountains. We traveled from California to Spain, Italy and France to taste amazing bubbly and Champaign with great food pairings. There were lots of red, pink and purple sparkling garland everywhere to change the décor of the wood into soft tones. I want to give a big “Thank you” to **Iris Swisher** and **Dick Strachan** for pouring bubbly, serving food, helping set up, decorating and cleaning up. I want to give another big “Thank you” to **Sandra** and **Jesper Nielson** for selecting the amazing bubbly and Champaign

Although this was not a cruising event, I enjoyed organizing this special bubbly tasting event to do something outside of the box to celebrate the “80th Anniversary of the Yacht Club.” We could not do what we do, without your volunteering efforts. Thank you to all who attended this special evening.

Our first cruising event will be going to Puerto Vallarta, Monday, May 22 - Sunday, May 28 - Puerto Vallarta-Paradise Village Resort and sailing. Let’s meet in Puerto Vallarta and go sailing, snorkeling, scuba diving, kayaking, and relaxing on the beach.

Let me know if you are interested, by contacting me at cruisingcaptain@slyc.org or call me at 805-305-1965.

The bubbly tasting could not be done without volunteers like you.

Happy sailing,
– Lettie 🍷

(L to R) Len and Madelynn, Michael and Carol, Graham and Jana, Wayne and Cindy, Alan and Maria, Jim and Kristen, John, Steve, Cindy, Liz, J and Kathy, Jeff and Melissa, Jesper, Dick and Iris, Lettie, Sandra.

Social Scene

February brunch hosts were **Dana and Pat Cusack**! This was their first time doing a brunch but you would have thought they were pros. The menu was delicious consisting of a breakfast casserole, yummy potatoes, bacon and/or sausage, fresh fruit, cinnamon rolls with or without frosting! We had a great crowd and everyone enjoyed this gourmet brunch with beautiful fresh garden yellow flowers on the tables! Dana had so much fun doing it she is looking forward to next year to do it again. We thank her, Pat and their crew and look forward to them coming back next year!

February continues to be a month with outstanding Hosts and Hostess of the SLYC. Dinner night was a stormy night with rain and busy ocean and there was much discussion to cancel or change the date due to the continuation of the storm. We decided to say the course and wow what a beautiful dinner we had! Many braved the storm and came and those that did not make missed a great event! The fireplace was not working when we arrived but thanks to the efforts of our Rear Commodore, **Barry Stewart** and **Tom Zwinger** they were able to get it going for this stormy night! Having the fireplace going added some comfort and beauty to this Sweetheart Dinner.

The decorations done by our Hostess **Lynn Schlenker** and her crew were fabulous! That was only the beginning! We all were served at our tables with a meal made for kings and queens. We had salad with homemade bread by Lynn's granddaughter, **Pam Marie**, and olive oil to dip it in. The main course was a picture of beauty with asparagus wrapped in bacon, chicken piccata with a lemon/mushroom caper sauce, on a bed of fettuccine and eggplant parmesan! The piece de resistance was the individual desserts, served to complete this great meal and presentation for our membership!

The decorations done by our Hostess **Lynn Schlenker** and her crew were fabulous! That was only the beginning! We all were served at our tables with a meal made for kings and queens. We had salad with homemade bread by Lynn's granddaughter, **Pam Marie**, and olive oil to dip it in. The piece de resistance was the individual desserts, served to complete this great meal and presentation for our membership!

Our members continue to be the best volunteers providing wonderful meals for our members to enjoy and we thank them all for their contributions! We still have a couple of opportunities for a member to sign up for to complete our 2017 calendar. Please call if you are interested in doing a brunch on August 6th or a dinner on July 22 or October 20th. Those dates are the only ones available to complete the 2017 calendar. It is a lot of fun and you will be a SLYC "Member in Good Standing" by doing just one thing.

Thank you all for you volunteerism!
— Tom and Dorie Zwinger

Sunshine Report

Ellen Sheffer broke her hip on January 24th, is out of the hospital using a walker, and thanks friends, family and good drugs while she recovers. She would appreciate your support and get well cards at: 3104 Prefumo Canyon Road, San Luis Obispo, CA 93405.

Respectfully submitted,
Kathleen O'Neill

Birthday wishes do come true — at the club. Happy Birthday **Mark Hawes**!

Upcoming Wet Wednesday - March 8

Join us for another exciting Wet Wednesday on March 8.

IN THE HEART OF THE SEA

A 2015 film directed by Ron Howard (2 hours.)

In 1820, crewmen aboard the whaling vessel Essex face a battle for survival when a whale attacks, crippling their ship and leaving the crew adrift in the ocean. Pushed to their limits and facing storms, starvation, panic and despair, the survivors must resort to the unthinkable to stay alive. Their incredible tale ultimately inspires author Herman Melville to write "Moby-Dick".

ADDED BONUS

Since it's our 80th Anniversary Year, we are honoring our Past Commodores from the 30's - 80's, inviting them and their spouses as our guests and hopefully they will share some tales of their adventures in the club.

Director - Jeff Bucher

From Our Galley to Yours

Easy Chicken Cacciatore

Courtesy of SLYC Member
Michel Crandall

*5 boned chicken breast halves
2 tbl. olive oil
1 clove garlic
1 tsp. oregano, ground
salt and pepper*

*1 cup mushrooms, slice fresh
1 (16-oz.) can Italian stewed tomatoes*

Brown chicken in oil with clove of garlic. Before turning sprinkle with oregano, salt and pepper. Add mushrooms and brown lightly. Add tomatoes, cover, and simmer for 30 minutes. Uncover, continue cooking until sauce is reduced to desired consistency and chicken is tender. Serve with spaghetti or rice.
