**A** hoy SLYC.

First the Scold.

Summer is in full swing and we have had to cut back a few activities because of lack of volunteers. There are some Flag members who have neither signed up for or performed their “member in good standing” duties for the 2019 year, nor asked for a deferment, excuse or alternate service. Our Vice Commodore has hinted at this in past articles and only a few “delinquents” have responded.

If you have compelling reasons to remain a Flag member, but can't reasonably contribute to SLYC in some way, please be proactive and call or email Jim before he or a Board member has to call you.

If you need help enrolling, Jim will work with you, if you are on a long overseas cruise or under medical supervision let him know, but don't just leave all the work to the rest of the club.

On a positive note, SLYC Flagship *Second Wind* is now on the clubs' Port San Luis mooring and available via the free water taxi as well as skiffs and other conveyances. One member even has been known to swim to her.

Member and SLYC Sailing Instructor, **Eoin Duffy**, has completed his first Cuesta College Sailing Class aboard her and Webmaster **Michael Dobrzensky** has placed a reservation calendar on our website.

If you are signed up with our Sailing Program, and haven't gotten your orientation yet, contact me or the Vice Commodore and we will schedule an orientation for you. This is the first step in shifting

*Slo Sloop* sailors to *Second Wind*. Second, the boat committee will have multiple checkout and rating sails to familiarize and classify sailors as to readiness to command her, operate her, or crew her. New procedures are being adopted and tested now.

We have the annual reception for Morro Bay Yacht Club and “Zongo Cup” sailors on Friday afternoon and evening August 9, at the Club. It will return to Friday this year, so get to Avila early for easier parking.

The Santa Barbara “Sail Day and Dock Party” that had been postponed is now scheduled on Saturday August 17, so contact **Lettie Fuller** our Cruising Captain for details.

Make sure you are also reading the brief “Scuttlebutt” emails we send each week for updates and details of club activities. Remember to reply to the “EVITES” for event reservations so we know how many to expect and be sure to call the person hosting if you reserve “YES” and then later decide not the show up. Some events have had 20+ percent “no show” after filling up preventing others from attending.

Thank you to all the great SLYC members that have contributed more than the minimum as well as all those who participate in the activities that give us our existence.

See you at the club and on the water.

*Nautically yours,*  
– Barry

## Vice Views

by Jim Gilletly,  
Vice Commodore

A hoy Fellow SLYC members. Before we get to yachting stuff, we need your help in signing up and fulfilling your annual volunteer obligations to maintain the scheduled SLYC's organized events. Even if you have fulfilled one or two yearly volunteer obligations, please feel free to volunteer for more positions. You will still get to enjoy the events and all of your fellow SLYC members will be grateful for your service.

Ok, now to the fun! We have had a ear to ear grin with all members who have had a chance to sail the SLYC's new

flagship *Second Wind*. She's a beautiful vessel! A 1999 Catalina 30 Mark III in pristine condition. Thank you **Marty Fuller** and **Darrel Rundstrom** for finding this beauty in Dana Point, California. You have amazing skills and experience in finding the perfect replacement for *SLO Sloop*.

ATTENTION ALL SLYC MEMBERS! If you have or haven't been on the water in the PSL, lately, and would like to participate in crewing *Second Wind*, please contact our Commodore **Barry Stewart**, our Boat Master **Bill Dyer**, or myself, Vice Commodore **Jim Gilletly**, and we'll be more than happy to show you a fun and exciting time aboard the SLYC's new flagship!

SLYC member, Annette Hackman at the helm on *Second Wind*!

*See you at the club or on the water,*  
—Jim ⚓

## Sr. Staff Commodore Report

by Mary Matakovich,  
Sr. Staff Commodore

A hoy! Please talk to me about your interest in being a member of our Board. The Nominating Committee will be presented to the Board at their August meeting. Once the Committee is approved, we will post their names in the Scuttlebutt; so, you can speak to them about your interest. Current Board members are available as well. We will then have the charge of putting together the slate of officers for 2020. Don't be surprised if we talk to you about this great experience. It's the best way to get to know the workings of the club. As I have said in earlier messages, go to your

directory, look up the names of Board members involved now, talk to them, and read our Constitution, which is in your directory, for more details. Just think, you can be instrumental in shaping our club's plans for the coming year.

I would like to thank **Karen Hiatt**, **Georgi Peterson** and **Yvonne Jordan** for the lovely Wet Wednesday's evening meal. They were most gracious to wait to serve the meal; so, the sailors got a scrumptious, hot meal. Teamwork at its finest!

It's also been a pleasure watching our Ocean Races and then having time after the races to have **Kylie Soucy**, our Sail Fleet Captain, present the awards. Along with clapping for the winners, **Kevin Williams** (pictured below) led the sailors from eight different boats in a debriefing session with tips shared and questions answered, along with a few laughs.

Please join us for the August 4th Races. Right after that comes the Zongo Cup on Friday the 9th. If you'd like to join me, let me know. I will be shuttling the sailors from the Harford Pier to the club, for the afternoon reception. Lots of great ways to enjoy sailing with friends.

*At your service, always,*  
— Mary ⚓

## Cruising News

by Lettie Fuller,  
Cruising Captain

**A**hoy Members,  
On the Water in Port San Luis cruising event was a blast! We had over 33 members go sailing on 7 boats from our members. Thank you everyone for participating. I want to especially thank our shuttle drivers Ray and Coleen Mattison for transporting our members from the club to Hartford pier. Another big thank you to Mike Davis and Dave and Colleen Lipanovich for water taxi service for our members. It was a blessing to have our own water taxi during this event. Thank you Reid Hester, Chris Barrett and Roger Briggs for taking our members out on the Hobie Waves and giving instructions.

I want to thank our boat owners that participated and took members sailing; it was so wonderful to see our boats sailing in Avila. Keep sailing.

- ⚓ SLYC’s new Flagship “Second Wind” Catalina 30 MKIII

We had a wonderful Santa Maria Style Bar-B-Q at the Club House, a big thank you to our master cook Glen Garrison and Gabriela, Nancy Stewart, Iris Swisher, Dick Strachan for all your cooking, baking and serving the great food.

If I have missed someone, my apologies for not acknowledging you. All in all, it was a very successful event with everyone’s help.

Our next upcoming event is the Santa Barbara Day Sail and Dock Side party on “Amigos” on Saturday, August 17th. Mark your calendars and watch scuttlebutt for updates. We sail during the day and meet on the dock of Amigos at 5:30 p.m. for tacos and margaritas.

*Happy Sailing,*

## Power Report

by Dave Lipanovich,  
Power Captain

**A** hoy!  
July is here, we are in full summer swing and *Chase* has been running great. Thank you to **Rod Valine** and **Bill Dyer** for running the boat for the last race, and **Mike Davis** for operating *Chase* as a water taxi during our

“Day on the water”. Speaking of that, I think everyone agrees it was an amazing event put together by Lettie, but next year we definitely need a couple more power boats to help taxi. We had our boat, *Mako Me Crazy*, on the water with *Chase* and that still wasn’t enough. While on the topic of more things concerning power boating, I am happy to announce 3 newer members of our club have recently expressed interest in learning how to captain *Chase*, which would add to our dedicated group of current skippers. These members already come with power boat experience and should be a great fit. This is great news and I will be working on getting them up to speed asap. And for all you power boaters reading this, the fishing has been fantastic out of the Port this year, and yes, halibut are in the bay for the season!

Happy Boating,  
– Dave ⚓

## Fleet News

by Kyle Soucy,  
Sail Fleet Captain

**A** hoy!  
We have 3 oceans races under our belts and all have been very different! Too much wind, too little wind, and wind that has been just right. A big thank you to the *Chase* boat crews: **Jim Gilletly** with **Terry SanFilippo**, **Dave** and **Colleen Lipanovich**, and **Bill Dyer** with **Rod Valine**!

In May we had 7 boats at the start, but only 5 boats finished the first time and 4 boats the next two races. Mechanical issues—but the McKellars get the award for first back to the clubhouse!

Overall results:

1. **Kevin Williams** on *Fear Knot*
2. **Darrel Rundstrom** and **Marty Fuller** on *Allegra*
3. **Bill McInerney** on *Rocinante*

June had 5 boats and 3 solid races—and a huge upset! A miss-read of the chart sent *Fear Knot* around the wrong mark and even though he was first in 2/3 races we had a new first place:

1. **Bill McInerney** on *Rocinate*
2. **Kevin Williams** on *Fear Knot*
3. **Steve Dahl** on *Terripin Flyer*

July was interesting—8 boats! But we had NO wind on an attempt at a pursuit start. Then we had beautiful wind on the second race but had to recall because there were 2 different maps out there. The redo of the second race had NO wind again. We had to cut the race in half because sailors were not going to make it back in time for the taxi! Boats were dropping out and using their iron jib! There was also an appearance of the new club boat *Second Wind*!

Overall Results:

1. **Kevin Williams** on *Fear Knot*
2. **Darrel Rundstrom** and **Marty Fuller** on *Allegra*
3. **Jim Gilletly** on *Second Wind*

We have 2 races in August: august 4 and august 25th. Join us out on the Cal Poly pier to call the races or on the water for some friendly competition!

Happy Sailing,  
– Kyle ⚓

## SLYC Hobie Wave Sailboats

Ahoy small boat sailors! The SLYC Hobie Wave sailboats are available for sailing. These are intended for sailing members to use. If you are an experienced and competent small boat sailor and feel you're ready to be certified to use the Hobie Waves, contact one of the members below to schedule a check ride. Once you are checked out to use these boats, all you need to do is reserve a time to use the boat. You can do this by going to the SLYC web page and click on the Small Boat Program. There you will find the Hobie information and Hobie calendar.
